

## A Beatha Healthcare Infusion Center offers convenience for patients who require medication infusions

- Comfortable reclining chair treatments
- Private treatment room available
- Access to Wi-Fi Internet
- 220V power available at each chair (backup generator onsite)
- DSTV
- Tea / Coffee station
- The facilities are wheelchair friendly
- A full set of Advanced Life Support Medical equipment and medications is available onsite in the unlikely event that a medical emergency may arise

### Infusion Centre Benefits

- Patients treated and monitored by Registered Nurse practitioners
- Safe and stable environment for both patients and medical staff
- Continuity of care along with referring Doctors
- Consistency in care through standardised protocols
- Multiple patients can receive infusions simultaneously
- Patients are able to continue a relatively normal daily life
- Can prevent unnecessary hospital admissions and shorten in-hospital stay durations

**Make the Beatha choice!**

## Referring Doctors

### How to access services for your patients?

**Step 1:** Please complete the Beatha Healthcare referral form

**Step 2:** Email or fax the completed referral form along with a copy of the patient's medications script to Beatha Healthcare

**Step 3:** Beatha Healthcare will:

- Contact the patient to arrange an appointment schedule for their treatment
- Assist with fulfilling the patient's medications script if needs be
- Administer all treatments as prescribed by the referring Doctor
- Ensure that patients receive appropriate care and monitoring during their treatments
- Compile a written report that will be sent to the referring Doctor at the end of the treatment cycle

## Additional Services

- Wound care clinic
- Out of hospital care and support for terminally ill patients
- Phlebotomy services
- Post-operative follow-ups
- CPR training
